### A Family Guide to Understanding Evaluations and Re- evaluations

Wed., September 28, 2016

Register on-line at the following link:

<http://tinyurl.com/jjssqyz>

- How to understand/share your child's strengths and needs
- Be an active part of this process

Presented by  
Network for  
PEP

The Network for Parent Education Presentations (PEP) on Special Education is lead by the PEAL Center, and includes The Autism Connection of PA, Autism Sharing and Parenting, the Arc of Philadelphia, Disability Rights PA, The Institute on Disabilities at Temple University, Mission Empower, Pennsylvania's Education for All Coalition, PA branch of the Dyslexia Association and many other family perspectives.

### Applied Behavioral Analysis Across the Spectrum

Wed., October 19, 2016

- Learn about ABA in 2016 – what has changed and what it means for your child/young adult
- What ABA looks like, how it can be used for different abilities and needs, from infancy thru high school and beyond

Presented by:

Epic Developmental Services provides the most current, best practices in education and behavioral health to address the need of children. Epic Autism programs offer services to increase language, academic and functional living skills, social skills, and also reduce problematic behaviors interfering with quality of life at home, school and in the community.

\*ASP is a volunteer run, 501(c)3 community-based network for children and young adults with a diagnosis of Autistic Spectrum Disorder.

ASP greatly appreciates your RSVP!
